Culture & Heritage
Board of Commissioners Meeting
June 23, 2014
5:30 pm
Museum of York County

Approved 07-28-2014

Person Presiding: Chair, David Plexico
Members Present: Carlos Bryson, Ragin Craig, David Duncan, Dennis Getter, Jonell Hagner, Rick Lee
Ex Officio Present: Nancy Craig
Staff: Carey Tilley, Barbara Ardrey
Other: County Attorney Michael Kendree

Chair David Plexico called the meeting to order at 5:34 pm.

Dennis Getter made a motion to adjourn to Executive Session for receipt of legal advice and discussion of contractual matters; Rick Lee seconded; no discussion; all present voted in favor and the motion passed unanimously.
(Commissioners Bryson and Duncan were not present for the vote but arrived shortly thereafter.)

Executive Session

- Receipt of Legal Advice
- Discussion of Contractual Matters

Reconvene to Open Session

Commissioner Hagner announced that the meeting was back in open session. She noted that David Plexico had excused himself from the meeting during Executive Session for a conflicting family matter.

As Vice Chair, Commissioner Hagner stepped in and presided over the meeting in Plexico’s absence. Hagner reported that no action was taken as a result of Executive Session.

The next order of business was approval of the minutes from the May 5, 2014 meeting, which took the place of the April 28 meeting and the May 15, 2014 special called meeting. Hagner called for a motion.

Rick Lee moved to approve the minutes of the May 5 and May 15, 2014, meetings; Ragin Craig seconded; no discussion; a vote was taken and the motion passed with Craig, Duncan, Getter, Hagner and Lee voting in favor and Bryson abstaining because he was absent from those meetings. (Plexico was not present for the vote.)

Report of Executive Director

- (See full report attached as “Addendum A” to these minutes.)
Committee Reports

- Finance Committee
  - Getter asked for a motion to approve the minutes from the 5-5-14 Finance Committee meeting; Lee so moved; Getter seconded; the motion passed.
  - Getter reported that there were no additional meetings of the Finance Committee since that meeting.
  - Getter pointed out to the Commissioners the Revenue and Expenditures report through May 31, 2014 in their packets. He reminded the members that revenue doesn’t come in equally spaced all year; the grants and some funding don’t come in until the end and actually until after our year is finished. Revenue, therefore, will not look like 100% until after the audit and everything is accounted for. He also noted that another key point is that expenses, which are ongoing, are being kept well in line and are under control.

- Governance Committee
  - Hagner asked for a motion to approve the minutes from the 5-5-14 Governance Committee meeting; Ragin Craig moved to approve; Duncan seconded; all voted in favor and the motion passed.

- Collections Committee
  - Duncan pointed out that there were four Recommendations for Accession in the Board packet being presented for Commission approval – three involving commissioned paintings by Don Troiani, Dan Nance, and Darby Erb.

Duncan moved to approve the three Recommendations noted above; Lee seconded; Lee asked that they be designated in some way.

Duncan advised that there were two paintings by Troiani; the second Recommendation was for five paintings by Nance; and the third was for a painting by Erd.

Duncan further noted that the fourth Recommendation for Accession are archeology pieces from Rutherford County Historical Society, which does not possess accredited storage for artifacts; the CHM was asked to take these items because we are AAM accredited and we operate Southern Revolutionary War Institute. These are all small pieces.

Duncan moved that the Commission accept that collection; Lee seconded; it was questioned whether the first motion was voted on.

Duncan withdrew the two preceding motions and Ragin Craig moved to accept all four Recommendations for Accession as presented; Duncan seconded Craig’s motion; no further discussion; a vote was taken and all those present voted in favor; the motion passed unanimously.

(The four Recommendations for Accession presented above are attached hereto collectively as “Addendum B”.)

- Duncan noted that the next order of business from the Collections Committee involved the Collections Management Policy. It basically deals with our collection pieces/accessions, not the houses. This has been read over, reviewed and edited by the Collections Committee and it is very clear.
Duncan moved to accept this policy; Ragin Craig seconded; no discussion; a vote was taken and all those present voted in favor; the motion carried unanimously.

**Old Business**

- By-Laws
  - Getter noted that everyone should have a copy of the By-Laws in their packets with the additional change.

Getter then made a motion that the By-Laws as presented be accepted; Duncan seconded; no discussion; a vote was taken and the motion passed unanimously.

Michael Kendree advised that these can be presented to the Council at their July 21, 2014 meeting.

**New Business**

- Landfill
  - Tilley updated the board on the landfill issue. He noted that the Zoning Board of Appeals ruled in favor of the property owner but with the following special stipulations:
    - On the north side of the site, the owner put up a sign telling trucks no left turn as they leave his property so they have to turn away from Brattonsville.
    - He also had to make a concession so that there will be 13 blackout dates when he will not be using his new chipper for the mulching operation.
    - In addition the owner agreed to delay the starting of his new operation for six months to give the CHC time to work on what we would like to do with the road.
  - Tilley then apprised the Commission of the need to decide what we want to recommend to the county to be done to the road.
  - Lengthy discussion ensued as to how to proceed. It was decided to work with some people at the county to get a recommendation to the Council.

- Election of New Officers

Getter moved that the following officers be elected for the term July 1, 2014 to June 30, 2015: David Plexico for Chairman; Ragin Craig for Vice Chairperson; Dennis Getter for Secretary-Treasurer; Lee seconded; no discussion; a vote was taken and all voted in favor; the motion passed unanimously.

*(Rick Lee had to leave the meeting at this point.)*

- McCelvey Rentals
  - Tilley expressed his concerns about the individual renters at McCelvey with access to the building 24-7. These rentals create more issues with security, etc., and do not help the community as a whole. He added for clarity that he was not talking about renting for special events, the theater etc. Tilley requested that the Commission consider discontinuing these types of individual rentals.
  - Tilley wants to see McCelvey utilized, hopefully for CHM administrative offices and exhibit/public space on the first floor. He also noted that he had talked to the county about possibly using the top floor of McCelvey for some of their needs.
o In addition Tilley noted that we do not have the staff to keep McCelvey open two nights a week for anyone who wants to use it so he is recommending that we go to one night a week rather than two nights.

  The Commission asked that Tilley come to the next meeting with recommendations and a proposed resolution to present to County Council.

  - Organizational Chart
    - Tilley advised that the chart in the board packets is what was approved by the Commission and, therefore, that is what he needed to present to the Council. He hoped that the Council would approve the changes which would change the Operations Manager to another Property Manager and then the Preservation Coordinator and the Property Manager at McCelvey would roll up under the Business Manager. The goal of that change is that we would have a Property Manager at each site, starting under the Business Manager, and ultimately rolling these people under the site managers. Because of possible confusion, the council did not approve the changes.
    - Duncan asked for a clarification of the changes. Tilley noted the changes as follows: Operations Manager would change to Property Manager MYCO/MSCM and then the Preservation Coordinators instead of reporting to the Property Manager would shift and report to the Business Manager and the Property Managers would also report directly to the Business Manager and the Operations Assistant II would report to the new Property Manager.
    - Discussion followed with some concerns voiced about site managers versus business manager over the new positions. Tilley noted that further discussion of matter may need to be in Executive Session.
    - Getter interjected that he believes Tilley is looking at this as a 2-step process and we know where we want to get but we need to take this step as step 1 and then when we come back next year, do step 2.
    - It was decided to take the matter to Executive Session but Tilley noted that there was one more item under New Business that was inadvertently left off the agenda that needed to be discussed first.

  Hagner made a motion to add to the Agenda under New Business a discussion of what beverages are to be served to invited guests at the Battlefield event on the night of July 10, 2014; Duncan seconded; all voted in favor and the motion passed unanimously.

  - Liquid Refreshments at Battlefield Reception
    - Hagner reviewed the situation wherein the Friends of Brattonsville had volunteered to supply refreshments for the Battlement Opening Reception. The President of the Friends inquired about serving a champagne type drink for guests. Hagner discussed the matter with Tilley who voiced his concern and noted a procedure must be followed and certain requirements had to be met in order to serve an alcoholic beverage at an event. Hagner noted that she took it upon herself to contact County Attorney Kendree and he advised her of the steps that needed to be taken to get approval to serve an alcoholic beverage. (Kendree reviewed some of the requirements for the Commission.)
    - Hagner continued and noted that in lieu of the champagne type drink at 11% alcohol, only hard cider at 5% alcohol would be served. She also noted that there would be no cost to the taxpayers for the refreshments and that all requirements would be met.
(Plexico returned to the meeting at this point.)

- Lengthy discussion followed.
- The general consensus was that at this time, it would probably be best to not serve alcohol at the Battlefield Reception. Hagner agreed to drop the matter. No vote was needed.

Duncan moved to go into Executive Session to discuss personnel matter; Plexico seconded; no discussion; all voted in favor and the motion passed unanimously.

Executive Session

- Personnel Matter

Reconvene to Open Session

Plexico noted that the meeting was back in open session.

As a result of Executive Session, Getter made the following motion.

Getter moved to make changes to the 2014-2015 Organizational Chart (Created from CHC Action on 5/5/14) as follows: The title block that says Operations Manager will change to Property Manager MYCO/MSCM and report to the Business Manager. Reporting to the Property Manager MYCO/MSCM will be the Operations Assistant II. Also the Preservation Coordinators and the Property Manager Mc Celvey will report individually to the Business Manager; Duncan seconded the motion; no discussion; a vote was taken and all present voted in favor; the motion passed unanimously. (Hagner left the meeting prior to Getter’s motion.)

Duncan moved to adjourn; Ragin Craig seconded; no discussion; a vote was taken and all present voted in favor; the motion passed unanimously.

Addendum A
Culture and Heritage Museums
Director's Report
June 23, 2014

Mission: to communicate and preserve the natural and cultural histories of the Carolina Piedmont, inspiring a lifetime of learning.

CHC Commissioners,
The museums are doing well as we approach the end of our fiscal year. Major capital projects are nearing completion, we are fiscally sound, and on-site visitation is strong. Although no numbers are in yet, June has been buzzing with Summer Camps, Teacher Work Shops, the Ag and Art Tour, and the opening of our newest exhibition, "What's Bugging Belva". We also are preparing for a very busy time at Historic Brattonsville with our upcoming July 4th activities at Hightower Hall and the Annual Re-enactment of the Battle of Huck's Defeat on July 12th and 13th when we will launch our new Battlefield interpretive trail. We will offer our members and invited guests a special preview of the Battlefield on Thursday, July 10th.

Historical Center of York County - McCelvey Annex
We celebrated the Grand Opening of the Historical Center of York County at the newly renovated McCelvey Center Annex on May 29, 2014. This $2 million investment in our county’s heritage places us among the leaders in historic preservation in South Carolina. The public component of the project focused on research facilities and a library for the Southern Revolutionary War Institute as well as enhanced resources for research on York County families. The bulk of the work, however, focused on creating a proper facility for preserving and protecting the archival material, art, and three-dimensional objects that illustrate and document our region’s history. The improvements to the McCelvey Annex demonstrate a commitment to protect our heritage according to the highest industry standards not just short-term but for the next century. The Substantial work was completed in March and the soft opening to the public was April 1st. We continue to work out kinks with the climate control system but believe the problems will be resolved soon. The slow process of carefully moving our material from the old building to the new facility has begun and should proceed steadily once the environmental controls are stable.

HIB Brick House – Front Porch Restoration
We are currently finalizing the second phase of our Restoration of the Brick House at Historic Brattonsville. The first phase, which featured a new metal shingle roof on the brick portion of the house and a pine shingle roof on the frame portion as well as critical mortar repair and structural stabilization, was substantially completed earlier in the year. The front porch has now been restored to its appearance from c.1843 to c.1886. Thus, the porch looks like it would have appeared prior to the War between the States and during the tense years of Reconstruction when national attention turned to York County. Future phases will focus on research and restoration of the rear porch, the front doors and windows, and the interior. The total budget for the first two phases was approximately $361,000. We do anticipate savings on the first phase once the contract with Centennial Preservation is finalized. This savings would be available to address important water diversion issues (gutters, downspouts, drainage areas) which were initially deferred to a later phase due to costs.
HB Huck's Defeat Battlefield
The HB operations team is hard at work finalizing the Huck's Defeat Battlefield Interpretive Trail. They are also building the “ghost frame” that will represent the mass, shape and location of the old Williamson House at the center of the battlefield. The art for the signage featuring the work of Don Troiani and Dan Nance has been completed, the signs fabricated, and the mounts are being put in place. The orientation video is in final production and work is underway to finalize a trial “electronic tour”. Currently everything is on pace to be ready for our Membership Preview of the Battlefield on July 10th. The official Ribbon Cutting and opening to the public will take place on the 234th anniversary of the Battle during our annual reenactment on July 12th.

Visitation Numbers through May
With one month left to go in the fiscal year, on-site visitation through the end of May remained strong. Overall totals are up a little over 7% from last year and we continue to serve significantly more people than we averaged in the previous five years. With the exception of the McCelvey Center, which closed its Research Room for the entire month of March, every site has experienced growth from last year through May.

April and May Numbers
Monthly visitation totals are finishing the year with strong on-site visitation as well. Overall on-site visitation was up almost 5% in April and almost 24% in May over those same months in the previous year. All four sites were up in both April and May over the respective months in 2012-

---

1 Main Street Children's Museum YTD totals for 2013-14 include "Countdown to Kindergarten" (total of 500) – a first time special event
2 McCelvey YTD totals for previous year include New Harmonies Concerts in July of 2012 and "Keepers of the Culture" in November of 2012. Research Room was closed for one Month in March of 2014 for relocation to annex.
3 In order to show the overall growth in total served on-site by CHC, the 5-year average attendance figures include visitation at MSCM which was not opened until December of 2010. Without MSCM the other 3 sites are up by 2,653 people or 5.2% over their total 5-year average.
4 MSCM's individual average YTD on-site attendance includes only FYE 12 & 13. These are the only full years available for comparison since it opened in December of 2010.
13 with the exception of Historic Brattonsville which was down in April (8%) but rebounded dramatically in May with a 50% increase over May of last year.

### Events at Historic Brattonsville

Although there were no special events at Historic Brattonsville in May, the growth in this area in 2013-14 is worth repeating. Despite the fact that attendance for our largest single event, Christmas Candlelight, was severely diminished on both dates, total combined attendance at our eleven special events in 2013-14 is up by 37% over last year. Every rain-free event at Historic Brattonsville this year has experienced positive growth over the 2012-13 totals. Even Memorial Day, which includes special activities but has not yet been officially classified as a “special event” saw an attendance of 331 – up 434% from last year’s total of 62.

### Special Events at HB compared to Previous Year

(*Denotes two-day event)

1. Independence Day (Total of 461): ..................... up 108%
2. Huck’s Defeat (Total of 1,086): ..................... up 48%
3. Occupations of the Past (Total of 175): .............. up 140%
4. Sweat of our Brow (Total of 426): ..................... up 53%
5. Piedmont Pottery Festival (Total of 446).............. up 21%
6. Spirits & Stories (Total of 484): ..................... up 120%
7. Civil War Reenactment (Total of 1,061): ............ up 6%
8. Christmas Candlelight (Total of 828): ............... down 57%* (rain both weekends)
9. Hog Butchering Day (Total of 118):.................. down 48% (heavy rain)
10. Children’s Day on the Farm (Total of 1,802): ....... up 598% (rain prev. year)
11. Sheep-Shearing Day (Total of 548) .................... up 30%
12. Memorial Day (Total of 331)......................... up 434%
Southern Sound Series – Final Count
The final numbers for the Southern Sound Series at McElvey are in. This year we were proud to offer concerts featuring Grammy-winning performers. We reduced the number of performances from five to four, eliminating the concert typically associated with “Keepers of the Culture Awards”. Even with one less concert, the total attendance of 1,782 exceeded last year’s total by 3%. Again, 2013-14 shows sustained growth in our performance audiences exceeding the three previous years by 19%, 72%, and 271% respectively.

Contributed Income
Through the end of May, the total contributed income for 2013-14 is $110,815. This is significantly below the budgeted amount but is comparable to last year with the very significant exception of a single contribution in excess of $51,000 given through a donation to the Culture and Heritage Foundation in 2012-13. This contribution brought the previous year total through May to $162,954. The strongest area of contributed income is Membership which continues to grow.

Membership through May 30th
Income from CHM membership through the end of May stood at $50,345 surpassing the previous year’s 12-month total in just 11 months. This total is up by $6,423 or almost 15% from the same time period in 2012-13. It also continues an upward trend in annual membership income being up by just under 47% from the same time period in 2011-12 and over 71% from membership income five years ago. Although the monthly membership income for May is down by 24% from a very strong April in 2014, it is over 10% higher than May of last year and 19% higher than May of 2012.

Once again I would like to thank the Commissioners for your support and commitment to our mission. Please be mindful of our upcoming events, details can always be found at www.chmuseums.org. If the weather cooperates, we are expecting a huge turnout for our reenactment and Battlefield opening on July 12th & 13th (10:00 am to 4:00 pm). We have more re-enactors committed than we have had for some time and a buzz is starting to spread about the new Battlefield. Please be sure to mark this event as well as the membership preview on Thursday, July 10th (7:00 pm to 9:00 pm) on your calendars. It would be great to have 100% of the commission present at this special time of celebration of our progress.

Sincerely,

(submitted electronically)

Carey L. Tilley
Executive Director

RECOMMENDATION FOR ACCESSION

Temporary Custody ID:          Collection Type:          Method of Acquisition:
                                  Art                                  Purchase

Name of Donor:      Don Troiani

Description of Object(s) (Expand as needed):
"Huck's Defeat," 24"x36" oil on canvas, mounted on frame
"Lt. William Adamson, New York Volunteers, 1780," 11"x14" watercolor

Condition:      excellent  excellent

Justification  Mission Rating:  5  (Scale of 1 – 5; 5 matches mission 100%)
CHM commissioned these paintings to depict important people and events connected with the
Battle of Huck's Defeat. Specifically, the artwork is being used in wayside signs on the
battlefield trail, for display purposes at Historic Brattonsville and the Historical Center of York
County, for advertising and publicity, for historical publications, and for interpreting the battle
and the appearance of soldiers who fought in the battle. Prints will be sold in CHM stores.

Does it complement another collection? Southern Revolutionary War Institute

Potential Uses:
☐ Research  ☑ Exhibition  ☐ Loan

RECOMMENDATION FOR ACCESSION

Temporary Custody ID:       Collection Type:       Method of Acquisition:

Archeology                  Donation

Name of Donor:

American Battlefield Protection Program (ABPP), National Park Service (NPS)

Description of Object(s) (Expand as needed):

Archeological artifact collection from Historic Gilbertown, NC.
Collection includes 76 artifacts, National Register nomination, and archeological
report prepared for American Battlefield Protection Program. See attachment.
Field work conducted by South Carolina Institute for Archaeology and
Anthropology (SCIAA).

Condition:

Excellent

Justification

Mission Rating: 5 (Scale of 1 – 5; 5 matches mission 100%)

Original grantee (Rutherford County Historical Society) does not possess accredited storage
facility for artifacts, so NPS declined to transfer artifacts to grantee. SCIAA recommended they
be transferred to CHM which is AAM accredited and operates Southern Revolutionary War
Institute. NPS has approved this recommendation.

Does it complement another collection? Huck’s Defeat Battlefield artifact collection and other
artifacts recovered from Historic Brattonsville.
